21.15.1.2 SCOPE: The rule shall apply to certification of agricultural products.
[21.15.1.2 NMAC - N, 02/29/2012]

21.15.1.3 STATUTORY AUTHORITY: The rule is promulgated pursuant to the
provisions of the Organic Production Act, 76-21A-1 through 76-21A-5 NMSA 1978.
[21.15.1.3 NMAC - N, 02/29/2012]

21.15.1.4 DURATION: Permanent.
[21.15.1.4 NMAC - N, 02/29/2012]

21.15.1.5 EFFECTIVE DATE: January 1, 2018.
[21.15.1.5 NMAC - N, 02/29/2012]

21.15.1.6 OBJECTIVE: The rule establishes that the department, as a USDA-
accredited certifying agent, follows the requirements of the national organic program's standards
to certify agricultural products as organic.
[21.15.1.6 NMAC - N, 02/29/2012]

21.15.1.7 DEFINITIONS: The following definitions apply to this part and all other
regulations the department adopts.

A. "Accreditation" means a determination made by USDA that authorizes a
private, foreign, or state entity to conduct certification activities as a certifying agent under the
standards.

B. "Agricultural product" means any agricultural commodity or product,
whether raw or processed, including any commodity or product derived from livestock.

C. "Certify or certification or certified" means a determination made by a
USDA-accredited certifying agent that a production or handling operation is in compliance with
the Organic Foods Production Act of 1990 and the standards which is documented by a
certificate of organic operation.

D. "Certifying agent" means any entity accredited by the national organic
program as a certifying agent for the purpose of certifying a production or handling operation as
a certified production or handling operation.

E. "Department" means the New Mexico Department of Agriculture.

F. "Farm operation" means raising, cultivating, propagating, fattening, grazing,
or any other farming or ranching activity.

G. "Fees" means funds collected by the department as provided for under the
act.

H. “Handler” means any person who engages in the business of handling agricultural products, including producers who handle crops or livestock of their own production, except such term shall not include final retailers of agricultural products that do not process agricultural products. This may include a processor.

I. “National organic program” means the USDA program authorized by the federal Organic Foods Production Act of 1990 for the purpose of implementing its provisions.

J. “Organic” means a labeling term that refers to an agricultural product produced in accordance with the federal Organic Foods Production Act of 1990.

K. “Organic products” means all products certified by the department as “100 percent organic,” “organic” or “made with organic (ingredients or food groups).”

L. “Processor” means any person who engages in the cooking, baking, curing, heating, drying, mixing, grinding, churning, separating, extracting, slaughtering, cutting, fermenting, distilling, eviscerating, preserving, dehydrating, freezing, chilling, or otherwise manufacturing and includes the packaging, canning, jarring, or otherwise enclosing food in a container.

M. “Producer” means a person who engages in the business of growing or producing food, fiber, feed, and other agricultural products.

N. “Standards” means the specific federal requirements that must be verified by the certifying agent accredited by the national organic program of the USDA before products can be labeled organic.

O. “Scope” refers to operation type; crops, livestock, wild crops, and handling.

P. “Application” means a formal request to an authority for the purpose of organic certification.

Q. “USDA” means United States department of agriculture.
[21.15.1.7 NMAC - N, 02/29/2012]

R. “Reviewing Process” means the review of an application prior to conducting an inspection of the applicant’s scope(s).

S. “Renewal” means annual update required for continued certification.

21.15.1.8 ADOPTION OF THE STANDARDS: The standards established by USDA’s national organic program and set forth in Title 7 CFR Part 205 are incorporated by reference.

[21.15.1.8 NMAC - N, 02/29/2012]

21.15.1.9 FEES:

A. All fees and assessments shall be collected directly by the department, and used to carry out the provisions of the Organic Production Act NMSA 76-21A.

B. New Application Fee: New applicants, regardless of scope, must submit a \$750 application fee for the initial review and processing of the application at the time of submission. New applicants for organic certification must submit their application(s) no later than April 1st. Any new applications received after April 1st may not be considered for certification until the following year. New applications received without accompanying fees shall be deemed incomplete, and the applicant shall be notified that the application will not be further processed until the fee is paid. Applicants applying for

dual scopes (crop and processor and animal and processor, but not crop and animal) must pay two fees. All fees are nonrefundable

C. Renewal Fee: Renewal applicants must submit a \$500 application fee for the review and processing of the application at the time of submission per scope. The deadline for renewal applicants shall be April 1st of each year. Renewal applications received without accompanying fees shall be deemed incomplete, and the applicant shall be notified that the application will not be further processed until the fee is paid. Applicants applying for dual scopes must pay a fee for each scope. All fees are nonrefundable.

D. Late Fee – Renewals: Late fee charges on renewal applications shall be assessed as follows:

Received after April 1, \$75.00;

Received after May 1, \$100;

Received after June 1, \$200;

Received after July 1, \$500.

E. Hourly rate: an hourly rate of \$65 per hour shall be assessed for time spent directly related to conducting inspections in quarter hour increments, certification process review, and issuance of the organic certification certificate. Certificates and renewals shall only be issued once all fees have been paid in full. The hourly rate does not include mileage and per diem.

F. Mileage and per diem: In addition to the application fee and hourly rate, mileage and per diem will be charged in accordance with the provisions of the New Mexico State University Business Procedures Manual, Chapter 5C: Travel.
